What is Toamit Virus Shut Out?

Toamit Virus Shut Out is a **antiviral** and **antibacterial** personal protection device. This cord releases a low concentration of **chlorine dioxide** into the air to kill germs and viruses in the surrounding air.

Less visible and annoying than a face mask, **Toamit Virus Shut Out** is a good choice for **workplaces** , **public transportation** and any Another crowded space where germs and viruses in the air are a **risk** .

Toamit Virus Shut Out is manufactured in **Japan** , so you can be sure of its **security** and **quality** >. Each piece will last approximately **30 days** after opening.

This device targets germs in the air. **It is not a substitute for basic hygiene measures recommended by the World Health Organization** , such as frequent and careful hand washing, practicing respiratory hygiene and avoiding touching your eyes, nose and mouth. If you experience

fever, cough, and shortness of breath, see a doctor immediately.

Active Ingredients

Generating agent for **chlorine dioxide** (sodium chlorite, natural zeolite)

Package includes: 1 x **TOAMIT Virus Removal Sterilization Virus Removal** .

NOTE: THE Chlorine Dioxide ....

- IS a safe disinfectant.
- **Chlorine dioxide** is classified as a **disinfectant** level A1 by the **World Health Organization** (WHO).
- It is neither carcinogenic nor teratogenic.

How is it used?

Take **Virus Shut Out** out of its package and use the included lanyard to hang it around your neck.

The product will react with air and start working as soon as it is removed from the foil outer package, so make sure you don't open or pierce it until you're ready to use it.

In this video we explain to **more detail** the correct operation and use of the **Virus Shut Out** cards.

What is its effectiveness?

99.9% EFFECTIVENESS

The **air sterilization card** has undergone various tests, where it has been placed in a space of **1 cubic meter** for 24 Hrs. and **99.9% of bacteria and viruses** have been removed.

For a **more precise explanation** I invite you to watch this video of **Dr. Andreas Kalcker** :
